**NORWALK FORCES SEVERE  
TESTS ON AUTO TIRE TUBES**

"All bridges have been burned be-  
hind us by featuring the scissors test  
for ascertaining the quality of rubber  
used in a tube," declares the general  
manager of the local Norwalk service  
station operated by the Alling Rubber  
company.

"In introducing and making the  
scissors test, the manufacturers of  
Norwalk tires have committed them-  
selves to a quality product, and any  
deviation from the standard of quality  
now represented would prove a catastro-  
phe to their reputation."  
The scissors test reveals the qual-  
ity of rubber in a tube with precision.  
It is made by taking a piece of tube  
one-quarter inch by three inches long  
and stretching it to nine inches, then  
times its original length. If, when  
slightly snapped on the edge, it tears  
apart, the rubber is inferior. If, when  
snapped, it does not tear apart, it is  
positive proof of quality.

"Dr. David Spence, directing chemist  
at the Norwalk factory, is the only  
man in the world who is in possession  
of the formula for producing the rub-  
ber used in Norwalk tires. His method  
of refining and strengthening the rub-  
ber used in these tubes is a deep se-  
cret. Norwalk factory has been built  
around this method. No more dra-  
matic or final proof of quality for any  
type of merchandise than the scissors  
test of Norwalk is in use today."

**DAVIS THEATRE.**  
The war has brought to light a  
thousand stories of penitence, of sacri-  
fice and of the pure love born of suf-  
fering, but none is more beautiful than  
that which David Ward Griffith has  
immortalized in *The Girl Who Stayed  
at Home*, his latest seven-part Art-  
craft picture, which will be shown at  
the Davis theatre today and tomorrow,  
two days only.

She was just a little carabot singer  
whose early work was just what it  
should have been. But she wanted  
to be good, and she was so in the  
ways that she knew best of all.  
And there was the story of the spend-  
thrift son of an indulgent father. He  
knew the girl, and he called her Cutie  
Beautiful. Cutie was the name of the  
girl; the battle that the mothers and  
sisters of America have fought; the  
battle to stay straight and to cherish  
the memory of the boy who went  
across to make the world a land of  
liberty.

Another big feature on this bill is  
*Go Get 'Em*, starring with Helen  
Chadwick and Franklin Farnum. It's  
a story of the west, full of thrills and  
good comedy, of a sweet girl, and a  
two-faced quack shooting man who  
revelled in the sport of hunting gang-  
sters. Burton Holmes Travelogue en-  
titled *From the Tiber to the Plave*  
completes this exceptional show.

**BREED THEATRE.**  
Olive Thomas, one of the most beau-  
tiful stars of the screen, will be seen  
in her latest feature, *The Girl*, at the  
Breed theatre today and Tues-  
day. This picture is from the story  
by W. Carey Wonderly. It tells of the  
secret marriage of a daughter of a  
millionaire to the nephew of a rich  
old man who is believed to be on his  
deathbed. The old man is surrounded  
by relatives who are anxious to in-  
herit his wealth. Miss Thomas is in-  
stalled as the old man's nurse and  
then complications develop rapidly. It  
is an ideal vehicle for the actress,  
who first stepped into renown as a  
star of the first magnitude with the  
Ziegfeld Midway Frolics in America.  
Her supporting cast includes Wallace  
MacDonald, William V. Long, Lee  
Philips, Ray Griffith and other well-  
known players. *The Girl* will  
also be seen in the new World pro-  
duction, *Phil for Short*. This picture  
is jammed with laughs and everyone  
will enjoy it. The new news will  
complete the bill for today and Tues-  
day.

**AUDITORIUM-MAJESTIC ROOF.**  
At the Auditorium-Majestic, and tomor-  
row the theatre-going public are to  
witness a feature picture that is sur-  
passed by none. Rex Beach's story,  
*The Auctioneer*, is a thrilling life  
drama of 1,000,000 girls in America.  
It carries through all the ages a  
young girl who undergoes the tempta-  
tions of life for girls young and old.  
This picture is endorsed by all of the  
leading clergy as one of the greatest  
life studies ever put on the motion  
picture screen. In addition to this,  
the famous Kinogram weekly with all  
of its worldly news will be shown.

At the Majestic Roof Garden Row-  
lands Jazz orchestra will be shown to  
play for the dancing and the Auction  
Block and the Kinogram weekly will  
be shown on the screen.

**ETERNAL UNCHANGEABLE  
GOD IS PREACHER'S THEME**

Yesterday, the sixth Sunday after  
Pentecost, the gospel read in all the  
masses in the Catholic churches was  
Mark viii, 1-9 narrating the miracle  
of multiplication of the loaves and  
fishes. Preaching at the 10.30 mass in  
St. Patrick's church, Rev. Miles F.  
Galvin, who read the low mass, con-  
tinued in his series of sermons on the  
attributes of God, considering the  
Creator as eternal and unchange-  
able.

Emphasizing the fact that men with  
their finite minds can but imperfectly  
grasp the idea of the Deity, never-  
theless, the preacher said, the sturdy  
of these attributes of God must tend  
to increase men's knowledge of His  
greatness. His love, knowing in their  
souls a desire the better to serve Him.

God is eternal—the same yesterday,  
today and forever.

He is unchangeable in His existence.  
His knowledge, His will, His power.  
How can His creature make a

**POWERFUL PILE  
REMEDY DISCOVERED**

Has Never Failed to End Most Obsta-  
inate Case of Piles in Few Days.

For years it has been proved that so-  
called external remedies applied to or  
inserted in the rectum cannot cure  
piles, and at the best can only give  
temporary relief. Surgical operations  
also do not remove this cause, but  
simply the formation.

This wonderful prescription, known  
as Miro Pile Remedy, is so efficient in  
the treatment of piles that even chron-  
ic cases of from 20 to 30 years stand-  
ing with profuse bleeding have been  
completely cured in from three to ten  
days. Think of it! Just a few doses  
of a carefully balanced prescription  
and the most persistent case of piles is  
absorbed never to return.

Just read what Henry J. Stone of the  
Lorain, Ohio, Fire Department says:  
"I had bleeding and protruding piles  
for three years and tried all kinds of  
remedies without result, but was thor-  
oughly cured after taking one bottle of  
Miro."

Dr. J. Phillips of Bird Island, Min-  
nesota, says:  
"I used half a bottle of Miro. It  
cured my piles in no longer a week  
with bleeding and protruding piles.  
I never regretted the money I spent  
on it. I am now enjoying it."  
All pharmacists dispense Miro or can  
get it for you on short notice. Surely  
it is worth the little trouble to obtain it  
to be rid of piles forever.

**IMPORTANT**—What is known as  
itching piles are not piles in the true  
sense of the word, although they may  
accompany a true case of piles. For  
this condition Miro Pile Remedy  
cannot be used, but in such cases it is  
not necessary to take the internal  
prescription. If your doctor has  
diagnosed the above mail charges paid  
on receipt of price. Internal Treatment

practical application to their daily  
lives of the knowledge which they de-  
rive from a consideration of His at-  
tributes? Since His will alters not,  
neither do His commands. The Ten  
Commandments are as binding on  
men today as they were when given by  
God to Moses.

Although we unlike the Almighty  
are of time, God has promised us that,  
through obedience to His commands,  
we may share with Him an eter-  
nity of existence and the lesson of  
the brief, forceful sermon was man's  
obligation to merit such an eternity  
of happiness with the Unchanging God.  
Whose gifts and beneficences the  
preacher cited.

**Denies Compensation Claim.**  
The claim for compensation of An-  
tonio DeCarlis of Groton, against the  
New London Ship and Engine Co., for  
compensation for an alleged injury  
to the eye on March 21 is denied by  
Compensation Commissioner J. J.  
Donohue. Dr. Carlis claims that he  
is suffering from iritis brought about  
by getting a piece of metal in his eye  
while at his work. The compensation  
commissioner finds from testimony of  
physicians that the disease is chronic.

**Salvation Army Lieutenant Here.**

vation Army has been transferred from
